## PSYCHIC TAROT PARTIES

As the **host** who gathers friends and family to your home for a private session of mini 1-2-1 readings, you will receive a **FREE READING**.

### How to Organize

Think of a few friends and family members who might be interested in receiving a Psychic Tarot reading. Call or email your friends and invite them to your little party so they can gain the opportunity to meet up but also receive a very insightful and uplifting reading from an amazing psychic!

### Party Days

Tarot Parties usually take place on a **Saturday** and can be anytime, morning, afternoon or early evening and last approx. 2 hours. Sundays can also be arranged but carry a £20.00 fee, on top of the party cost which the host can pay themselves or arrange to divide that cost amongst the guests.

### What To Have

Well, as with any party... Finger Food, nibbles and light refreshments 😊. Create the ambience by having upbeat or soft Music in the background and have a nice quiet room for Anne-Marie and a guest to enjoy a private reading. That will leave the rest to mingle and catch up with each other.

### Guest Quantities

Standard      x6 guests (fixed number) – excluding the host  
                         x15 minutes private reading per guest (£15.00 pp) and the host will receive a free, 10 minute private reading also.

**Other options:** If you have less than the standard x6 guests, or more than x12 guests **please email** for more details.

### How To Book – Standard Party Only

Once you have confirmed your (x6) party guests, aim to collect their £5 deposit or full payment asap and then complete the online party form with payment both via **the website**. Please provide the outstanding party balance to Anne-Marie's on her arrival, regardless if any of your guests becomes a 'no show'. It is highly recommended that as the host you read the **website disclaimer**.

### After Submitting Your Online Form/Payment

Anne-Marie will contact you personally within 24hrs of receiving both your **online party form** and either **deposit** or **full payment**. She will confirm your preferred party date/time or a suggested one will be given should the date / time you require already be taken.
