What was my past life relationship Reading

£35.99

*"It's just the strangest thing
I've seen your face somewhere
an early evening dream
a past-life love affair"*

This style of reading has been created to give you an insight into a previous life, relationship you might have had. Why this type of reading? Because it has the potential to identify what type of people you are constantly attracted to and why perhaps you are single or why the relationship is as it is.

It's an informational reading that brings out many insights that could mirror some aspects of your previous relationships that will make sense why they didn't work and how to make the current one stand the distance.

I would recommend this reading if nothing else but to give you an insight into previous life relationships you may have had in another lifetime. A past-life relationship reading has many benefits and one being helping you to unlock and unblock subconscious behaviours that just by reading about your previous life relationships readings it brings about positivity in your psyche that attracts a better relationships status.

The reading length is usually about two full pages or more and after I have conducted your reading I'll forward it to you via email immediately for you to read wherever you are in the world.
