

NEW DATING RELATIONSHIP

Dating Someone Reading

It's Only: £12.99

This style of reading has been created to give you an insight into the possibility whether or not this new 'romantic liaison' is more for the long term or short term.

It suits only those that have recently begun dating someone new within the last 3 months. This allows me to look at the 'newness' of the relationship to review the connection between you both and give my insight into its possible future.

The reading length is usually shorter than a full blown general reading but provides more than enough information to allow you to gain a good idea about their needs, wants, likes and dislikes and whether or not this NEW relationship / liaison could be a match for a long term commitment! The reading reflects upon what they are looking for in a partner and if you recognize you hold the same qualities they are also looking for then it could be a match!

After I have conducted your reading I'll forward it to you via email immediately for you to read wherever you are in the world.

I also do readings on
