Future Lover Reading

£10.99

A great reading for anyone that is **SINGLE** and looking for **LOVE!**
The reading I will conduct for you will look at the energy of the person that is on their way, their likes, dislikes, personal interests, personality and much more.

The reading reflects upon what they are looking for in a partner and if you recognize you hold the same qualities they are looking for then it could be a match!

This is a general reading that provides details that could mirror the qualities of your future love and may also provide tips that could help signpost their energy directly to you.

To create this reading for you I will use my special, personalised relationship cards to tune into your energy at also look at you as a person and the qualities of a new love that would best suit you.

Where possible and only if shown I'll also add what they may look like, what's happening in their life and perhaps when, where or how you'll meet!

After I have conducted your reading I'll forward it to you via email immediately for you to read wherever you are in the world.

To allow me to connect strongly with you for this style of reading it's better to only order it if you are totally single with no energy of a 'personal love interest' around you otherwise it may influence a different aspect of the reading.

I also do readings on

["WILL I GET BACK WITH MY EX"](#)

["DATING RELATIONSHIP – JUST STARTED DATING"](#)

["CURRENT RELATIONSHIP READINGS – WHERE'S IT GOING"](#)

["PREVIOUS LIFE READINGS – WHAT WAS MY PAST LIKE"](#)

However, if you have just started dating (within 3 months) or currently involved (at least 1 year or more) then choose that personalised reading to gain better results for what you need.

As with all my readings, I provide them to you for **FREE**, but accept your donation set payment for the time I use and should you ever wish to donate more based upon how happy you feel after receiving my free reading this will always be appreciative (simply send the good-will donation to my PayPal account)
